All participating members of the Legend Softball League (LSL) have signed a waiver and understand that playing softball involves certain risks on and off the field. The acknowledgement of this waiver signifies your agreement not to hold the LSL, it's sponsors and officers, the Legends Sports Bar & Grille, any umpire officiating the contest or any other members of the league liable should a player suffer any kind of injury while playing or watching softball in the LSL. Any resulting medical costs due to softball-related injuries are the sole responsibility of each individual and medical bills may not come back on Legends Sports Bar & Grille, its governing body, or umpiring crew.
