At Legends Sports' Park we have 3 fields for youth play. Games will be played on Tuesdays, Wednesdays, and Thursdays of each week because we understand that most of our teams participating in the league also participate in many tournaments throughout the summer. We will try to keep our double-headers to Tuesday and Wednesday while leaving Thursday open for single-game dates. Legends will also leave Mondays open for the sole purpose of future weather make-ups. Teams will play 20 games within 12/13 weeks of play depending on the number of teams per age group. Our goal at Legends is to have each league consist of at least 8 competitive teams. The league will consist of 20 league games and a season-ending tournament the week of July 18<sup>th</sup>. Each league winner will also qualify for the AABC District for each respective age group.
